Duke Women's Impact Network

Lead. Give. Inspire.

Duke WIN Internal Steering Committee and WIN Team members

The Duke WIN Internal Steering Committee consists of senior administrators and faculty members from across the university. These men and women serve as informed WIN advocates in their spheres of influence; provide the WIN Leadership Council with insights into institutional priorities and challenges; and collaborate with WIN staff and university development officers to identify programs and opportunities that appeal to WIN members broadly, or that align with specific donor interests.

Katharine T. Bartlett
